Agenda 13.1 Leave of Absence

The 13th meeting of the Sanctioning and Monitoring Committee (CSMC) under Swadesh Darshan Scheme 2.0 was held on 27.02.2024 at 4:00 PM. The list of attendees is given in Annexure 1. Leave of absence was granted to the members, who could not attend the meeting.

Agenda 13.2 Confirmation of the proceedings of the Eleventh Meeting

The proceedings of the Eleventh meeting of the CSMC circulated vide SD-8/15/2020-SD- Part(3) dated 26.02.2024 were confirmed.

Agenda 13.3 Review of DPR Package -1 for the 07 approved experiences

1. The Committee noted the following:

- (i) The CSMC in its meetings held on 13.09.2023, 06.10.2023 and 02.11.2023 approved 50 experiences for preparation of Detailed Project Reports (DPR).
- (ii) The States have accordingly with the assistance of PDMCs prepared draft DPRs in consultation with Destination Management Committees and Draft DPRs have been submitted to the Ministry of Tourism.
- (iii) The Committee in the 9th meeting instructed the States and PDMCs that based on the experience of SD 1.0, operational and management on sustainable basis is essential for the experiences, which are being designed. It was accordingly directed that the experience should be conceptualized along with operation and management to be executed by Tourism Experience Development and Management Agency, which will not only develop and construct but also operate and manage the experience for specified duration.

- (iv) The delays in implementation of the project and lack of operations and management on sustainable basis amongst other shortcomings have also been observed by CAG in the performance audit of SD 1.0 scheme and it must be ensured that those are taken care of in the implementation of SD 2.0.
- (v) A checklist for reviewing the DPRs by the States and PDMCs was circulated vide O.M No SD-8/3/2022-SD dated 12.01.2024 (Annexure-2) and broad structure for tourism experience development and management (Annexure-3) has also been circulated in line with various decisions of the CSMC, MD, templates and guidance note issued in this regard.
- (vi) Draft DPRs submitted to the Ministry by the States/ PDMCs were reviewed with respective States/ UTs and PDMCs in meetings held from 15.01.2024 to 22.01.2024 and proceedings of the review meetings have been circulated vide OMs No. SD-8/15/2020-SD Part (2) dated 19.01.2024 and 31.01.2024.
- (vii) The States/ PDMCs were accordingly advised to present their DPRs to the Mission Directorate in the prescribed template. The States have been asked to obtain necessary NOCs and pre-construction Clearances for the experiences from the concerned authorities apart from checking the technical and other details, which is the responsibility of respective State Implementation Agencies.
2. The committee further noted that Mission Directorate in its 24th and 25th held on 16.02.2024 and 27.02.2024 reviewed draft DPRs for 7 experiences and recommended the following DPRs to the CSMC for approval.

Annexure-5

General Conditions for Implementation of the Experiences under the Scheme as approved in 10th meeting of the CSMC held on 9th February

The Committee also reviewed the implementation modalities in detail and approved the following general conditions for implementation of the experiences under the scheme in line with the earlier decisions of the CSMC, Mission Directorate and guidance notes issued from time to time:

(i) Land

The State shall make land for the project available free of cost. No portion of the sanctioned project should be executed/ implemented on land/ property owned by private individual or trust.

(ii) Statutory Approvals & Clearances

The SIA would take all necessary clearances which are required as per prevailing rules and regulations including relating to environment, forest & pollution control and other pre-construction clearances before the implementation of the project.

(iii) Approved Experience to be developed as a single project

The approved experience shall be developed, operated and managed as a single project and the SIA shall award the same to 'Tourism Experience Development & Management Agency' (TEDMA) through open tendering process. The obligations, potential revenue streams, service levels and other relevant aspects have been elaborated in the following sections.

(iv) Timelines for the implementation of the Experience

The Experience shall be developed within one year of award of work to TEDMA. TEDMA shall be given maximum one year for development and minimum 5 years for operation and management. In case, TEDMA completes development before the stipulated time, it can start the operations. The States may further provide for renewal of O&M contract with TEDMA for mutually agreed period.

(v) No Cost Escalation to be given

The SIA shall ensure completion of development works within approved timelines to ensure timely utilization of funds and avoid escalation of cost. Any escalation of cost on account of delay or otherwise would be met by the SIA and no funds will be provided by Ministry of Tourism on this account.

(vi) Obligations to be funded by TEDMA

TEDMA will have the following obligations for funding:

- (a) Mandatory obligations in the development phase as may be specified.
- (b) All the necessary Infrastructure, Interiors, Furnishings, Consumables, Peripherals, Fixtures etc. required to make the experience fully operational and continued operation and management as per defined service levels.
- (c) Ensure professional experts to support in design, development, operations and management.
- (d) Marketing and promotion of the experience
- (e) Team deployment, training, uniform and management
- (f) General Operations: eg. Payment of Utilities, Consumable for Upkeep, Inventory
- (g) General Repairs & Maintenance
- (h) Any other obligations, which may be specified

(vii) Potential Revenue Sources for TEDMA

Potential revenue sources for meeting the cost of the obligations on TEDMA and for success of operations and management of the experience will be identified, including the following:

- (i) Advertisement charges
- (j) Parking charges
- (k) Ticketing
- (l) Public conveniences
- (m) Restaurant/ café/ food kiosks/ shops etc.
- (n) Tent city/ camping/ other accommodation services
- (o) Adventure and recreational activities
- (p) Any other charges

TEDMA should be given flexibility to create various revenue streams by value added services for the tourists within the overall vision of the experience.

(viii) Service Levels for Operation and Management

Service levels for various areas of operation and management by TEDMA to be defined including specifications, resource requirement, performance parameters, minimum service levels, methodology for measuring the service level and penalties for not meeting the SLAs.

(ix) Professional Agency to evaluate SLAs

Provision to be made for Professional Agency to evaluate the performance on defined service levels of the TEDMA and submit periodic reports to Destination Management

Organisation (DMO) and SIA. In case of breach of SLAs, penalties will be imposed on TEDMA.

(x) Enhanced design and specifications by TEDMA

TEDMA may be given the flexibility to enhance the design and specifications of any component of the experience as per the need of the market or provide better quality with the approval of the SIA.

(xi) Additional Facilities by TEDMA

TEDMA may be given the flexibility to provide additional facilities at their costs to enhance the tourist experience or provide additional services to the tourists with the approval of the SIA.

(xii) Charges to be included in the Cost Estimates

The following standardized charges will be eligible to be included in the cost estimates:

- (a) GST and other statutory taxes, levies and charges
GST and other statutory charges wherever not included in the schedule of rates and as applicable.
- (b) Contingency Charges at 2% of Project Cost funded under SD
It is meant for any unforeseen work not covered in the cost estimates. This will not be used for any office expenses or any other purposes except towards development cost of the experience.
- (c) SIA Charges at 3% of Project Cost funded under SD
It is the administrative cost to be paid to the SIA on account of institutional and project implementation support for the experience.
- (d) DMO Charges at 1% of Project Cost funded under SD
The DMO charges will be towards providing financial support to the DMOs under District Collectors to meet various expenses for coordinating, facilitating and monitoring the implementation of the experience and providing support to various destination management activities.

(xiii) EPC to be preferred over item rate contract

Keeping in view the need to provide flexibility in design to TEDMA, EPC may be a preferred option than Item rate contract.

(xiv) Sharing of annual fee to be given by TEDMA between SIA and DMO

The annual fee to be given by TEDMA during the operation and management phase should be used by DMO for further development of the destination particularly for enhancement of tourist experience at the destination. 10% of the annual fee will be shared with SIA. In case there are existing revenues to SIA/ other agencies from the project site, suitable arrangements could be worked out to provide additional share to SIA/ other agencies.
