Agenda 20.2 Confirmation of the proceedings of the 19th MD Meeting

The proceedings of the 19th meeting of the MD circulated to all the members vide OM no. SD-8/15/2020-SD-Part (3) dated 11.01.2024 was confirmed.

Agenda 20.3 Review of DPR Package -1 for the approved 13 experiences

1. The Central Sanctioning and Monitoring Committee (CSMC) in its meetings held on 13.09.2023, 06.10.2023 and 02.11.2023 has provided in-principle approval to 50 experiences in 40 destinations for preparation of Detailed Project Report (DPR).
2. It was informed that the PDMCs have prepared draft DPRs and forwarded the same to the States and the same are being checked by the States including obtaining necessary NOCs and pre-construction Clearances.
3. It has been brought out time and again the need for developing end to end tourist experience with sustainable operations and management particularly in the light of experience of implementation of experience of SD 1.0. Further, the performance audit of SD 1.0 by CAG has also revealed various shortcomings in the implementation of scheme and it must be ensured that those are taken care of in the implementation of SD 2.0.
4. Accordingly, the checklist for reviewing the DPRs by the States and PDMCs was circulated vide O.M No SD-8/3/2022-SD dated 12.01.2024 (**Annexure-2**) and broad structure for tourism experience and management (**Annexure-3**) has also been circulated in line with various decisions of the CSMC, MD, templates and guidance note issued in this regard.
5. Further, it was also informed that the draft DPRs submitted by PDMC were reviewed with respective State/UT and PDMC in meetings held from 15.01.2024 to 22.01.2024 and proceedings of the review meeting have been circulated vide OMs No. SD-8/15/2020-SD Part (2) dated 19.01.2024 and 31.01.2024.

6. The template for presenting DPRs was accordingly devised (attached as **Annexure-4**) and the concerned PDMCs were directed to present the draft DPRs focusing on the following aspects:

- (i) Improving Experience at Tourist Touchpoints
- (ii) Layout Plans
- (iii) Proposed Overall Layout Visual
- (iv) Minimum Development Obligations to be funded under SD 2.0
- (v) Proposal renders (visualisations)
- (vi) Minimum Development Obligation to be funded by Tourism Experience Development & Management Agency (TEDMA)
- (vii) Operation & Management Service Levels
- (viii) Potential Revenue Sources
- (ix) Operational Cost & Revenue

7. DPRs for following experiences were placed for review under the Mission Directorate:

Sn.	Destination (State/UT)	Approved Experiences
1	Gwalior, Madhya Pradesh	Phoolbagh Experience zone
2	Chitrakoot, Madhya Pradesh	Spiritual Experience in Chitrakoot
3	Gangtok, Sikkim	Gangtok Cultural Village
4	Bundi (Kesoraipatan), Rajasthan	Spiritual Experience, Keshavraipatan
5	Hampi, Karnataka	Setting up of 'Traveller nooks'
6	Mysuru, Karnataka	Tonga ride Heritage experience zone
7	Champawat, Uttarakhand	Tea Garden Experience
8	Karaikal, Puducherry	Karaikal beach and waterfront experience
9	Mamallapuram, Tamil Nadu	Immersive experience at Shore Temple
10	Ananathagiri, Telangana	Eco tourism zone at Ananathgiri forest
11	Bhongir, Telangana	Bhongir Fort Experiential Zone
12	Kokrajhar, Assam	Kokrajhar Wetland Experience
13	Araku-Lambasingi, Andhra Pradesh	Borra Cave Experience at Araku

8. Based on the presentations reviewed by the committee, the following DPRs are recommended to the CSMC for In-principle approval. The detailed components and project cost recommended by the committee is attached as **Annexure -5**.

Sn.	Comments
1	<p>Phoolbagh Experience zone, Gwalior, Madhya Pradesh</p> <ul style="list-style-type: none"> • The online information and booking should be relevant to the experience for which the DPR has been prepared and not for the destination as a whole. • While the DPR will have detailed drawings and quantities etc. the presentation for DPR for MD/ CSMC should highlight the perspective and visual elements to facilitate review rather than details. • The theme and detailed concept for interpretation centre should be worked out and included rather than focus on built area as the focus is not on constructing buildings but the tourist experience. • Mobile toilets presented were found to lack required standards and aesthetics and it was directed to design proper facility under the experience. May look at the traveller's nook model also. • Minimum development obligation for TEDMA to be incorporated. • Proposed Service levels for TEDMA was found to be not satisfactory and required further detailing. • FSSAI standards / certifications to be maintained for the proposed food carts. • Proposed souvenir street should also cater to local products, ODOP etc. • The frequency of the proposed service levels of TEDMA to be clear and measurable based on peak & nonpeak hours. • Further, automated system to be adopted for measuring the service levels. Standard KPIs to be clearly elaborated. • Identify additional potential revenue sources Eg. Advertisement, etc. • State was directed to consider common ticketing for the experience with multiple packages, dynamic pricing, etc.

Sn.	Comments
2	<p>Gangtok Cultural Village, Gangtok, Sikkim</p> <ul style="list-style-type: none"> • State was directed to strengthen the proposed operational service levels of the TEDMA • Provision to be given for TEDMA to explore more sources of the revenue within the site with the approval of the SIA. • The frequency of the proposed service levels of TEDMA to be clear and measurable based on peak & nonpeak hours. • Further, automated system to be adopted for measurement of service levels. Standard KPIs to be clearly elaborated.
3	<p>Spiritual Experience, Keshavraipatan Bundi (Kesoraipatan), Rajasthan</p> <ul style="list-style-type: none"> • The PDMC was directed to explore a more curated experience at the interpretation centre in place of simply running videos. • The Service level parameter for TEDMA regarding facilitation of religious events to be re-looked at. • Potential for Bird Watching activity may be explored. The nearby islands to be shown in the overall layout. • The operation and management cost being in deficit, the Department of Devasthan to arrange for requisite funds.
4	<p>Setting up of 'Traveller nooks' Hampi, Karnataka</p> <ul style="list-style-type: none"> • Costing for Skilling, IT and marketing shall not be funded under SD 2.0. The cost for these components -to be included in the scope of the TEDMA. • The components that are essential for successful operation of the approved tourist experience shall be in the scope of the TEDMA. • The evaluation of the service level adherence by TEDMA to be done by an independent agency through automation and public feedback.
5	<p>Tonga ride Heritage experience zone Mysuru, Karnataka</p> <ul style="list-style-type: none"> • Explore the possibility to bring a professional agency who can run the proposed Tonga experience in partnership with the Tonga Association with a revenue sharing arrangement.
6	<p>Immersive experience at Shore Temple Mamallapuram, Tamil Nadu</p>

Sn.	Comments
	<ul style="list-style-type: none"> • The PDMC was directed to review the proposal of FSSAI and any gaps in ensuring hygiene and cleanliness and orderly arrangement for the street vendors may be taken into account to ensure better design and planning. • State was directed to reassess and discuss with ASI regarding the flow of tourist inside the experience with separate entry/ exit to more efficient management. Souvenir shops near tourist exit. • PDMC to incorporate high-quality restaurant with maximum seating capacity towards the exit. • The souvenirs shops placement on layout plan is to be undertaken towards right side. • It is to be ensured that existing vending zone/ shops are organized in a more orderly way. • The frequency of the proposed service levels of TEDMA to be clear and measurable and automated system to be adopted for measuring service levels.
7	<p>Bhongir Fort Experiential Zone Bhongir, Telangana</p> <ul style="list-style-type: none"> • To reassess the quality of presentation. • Provide proper holding space for ticketing at arrival plaza. • Souvenir shop must be towards the exit of the experience and not in the parking lot. • Service levels was found to be not satisfactory and required further detailing. • Sound and Light show cost to be included in the DPR costing.

9. The respective States were directed to submit the updated DPR incorporating the observations. The presentation for DPR also needs to be updated.

10. For Spiritual Experience in in Chitrakoot (Madhya Pradesh) the State requested for relooking and incorporating additional components. State was advised to submit the experience with current components DPR Package-1 and additional components can be taken up as subsequent DPR to avoid further delay.

11. Remaining experiences are directed to recast the DPR as per the template and guidance note and submit the updated presentation for consideration.

Agenda 20.4 Review of SOP for Destination Management Activities

1. It was informed that Destination Management Organizations (DMO) will play a pivotal role in implementation of the Swadesh Darshan 2.0 scheme, enabling destinations to build capacity and compete in the tourism ecosystem.
