Proceedings of the 5th meeting of the Mission Directorate under Swadesh Darshan Scheme 2.0 under the Chairmanship of Additional Secretary (Tourism) held on 09/09/2022 at 10 30 AM

Agenda 5.1 Leave of Absence

The 5th meeting of the Mission Directorate was held on 09/09/2022 at 10 30 AM under the Chairmanship of Additional Secretary (Tourism) in Hybrid mode. The list of attendees is given in Annexure-1. Leave of absence was granted to the members, who could not attend the meeting.

Overview of Swadesh Darshan Scheme 2.0

1. It was emphasised that the SD 2.0 is not an incremental change but a generational shift to evolve Swadesh Darshan Scheme as a holistic mission to develop sustainable and responsible tourist destinations covering tourism and allied infrastructure, tourism services, human capital development, destination management and promotion backed by policy and institutional reforms. It is a destination centric and tourist centric scheme.
2. A presentation on the salient features of Swadesh Darshan 2.0 scheme covering the key reforms was made in the meeting:

(i) Broad basing of Central Sanctioning and Monitoring Committee

Since tourism is a cross cutting sector, collaboration with allied sectors is crucial to achieve optimum development. Accordingly, the Central Sanctioning and Monitoring Committee has been broad-based by including Ministries of Culture, Civil Aviation, Road Transport and Highways, Railways, Housing and Urban Affairs, External Affairs to bring in synergy in the efforts to develop the tourist destinations.

(ii) State level Institutional Structure for the Scheme

A three-tier institutional structure has been formulated at the State level to further streamline the efforts in speedy implementation and monitoring of the projects. Both Central and State level committees will play a crucial role in coordination and oversight of the

destinations sanctioned, ensure speedier resolution of issues, and facilitate steps to make holistic development of destinations.

(iii) Strategic Destination Selection

Under Swadesh Darshan 2.0, development of 2-3 destinations per state will be taken up to ensure holistic planning, better implementation, and more visible impact. Strategic selection of destinations will be crucial based on the key attributes of tourism theme and offerings of destination, connectivity, current tourism ecosystem and future potential. The scheme is a destination centric and tourist centric scheme.

(iv) Detailed benchmarking and gap analysis of destination

While implementation of the project, benchmarking and detailed gap assessment of the destination will be undertaken based on carrying capacity, connectivity, tourism infrastructure, tourism activities, skill development, safety for the visitors and marketing and promotion of the destination. This will ensure sustainable development of destination, engaging visitors for longer duration and placement of the destination as model tourism destination.

(v) Focus on both Hard and Soft Interventions

Destination development will undertake both hard and soft interventions at the selected destination. Hard interventions like tourism core products, tourism activities and services, health, safety & sanitation, site infrastructure and circulation and traffic will be undertaken. Soft interventions will include tourism facilitation services, capacity building, content digitalization and Marketing & Promotion of the destination.

(vi) Strengthening of Project Implementation and Monitoring

Strong focus will be given on Strengthening of Project Implementation and Monitoring for destination clearance, timely reporting on progress and completion. Each State will have destination management committee under district magistrate, will take preconstruction clearances and will have design and planning consultant. Beside this all the projects will be online monitored (e.g., SPP were accepted online), handholding & capacity building workshops will be done at destination and based on the

performance of the destination incentives will be awarded to the states.

(vii) Sustainable Operations and Maintenance

Under Swadesh Darshan 2.0 operations and maintenance will be an essential part of planning and development. There will be a firm strategy to take care of the assets created at the destination. Public private partnership will be encouraged in the operations and management of the assets.

(viii) Promotion & Marketing

Marketing and Promotion of the destination will be the prime focus of the Scheme. Activities like Brand creation, website / mobile App for the destination, marketing content, digital promotion will be undertaken under soft intervention at the destination.

(ix) Impact Assessment

Impact assessment of the destination will be measured with market research like footfall, overnight stays, tourist experience and the employment generated for the indigenous community.

3. All the Ministries were accordingly requested to provide their support and assistance for development of the selected destinations under the Scheme. All the States were requested to accordingly sensitize their teams with the key reforms and vision of Swadesh Darshan 2.0 scheme for development of sustainable and responsible destinations.

Tri-partite MoU by and amongst MOT, State & Destination

1. As a collaborative approach, a tri-partite memorandum of understanding will be signed by and amongst Ministry of Tourism, State & Destination for development of selected destinations as a sustainable and responsible tourist destination.
2. Destination Management Committees under District Collector will have crucial role in implementing this destination centric scheme. Collaboration with a wide cross section of tourism and hospitality stakeholders will be required for destination profiling & measuring KPIs, visitor management system, enhancing visitor's experience, website and social media promotions, skill development, adoption of the heritage sites and improving safety and cleanliness at the destination.

3. It was further informed that the draft of the MOU is under finalization and the Ministry will sign MOUs with the States and selected destinations during tourism iconic week under AKAM commencing on 27th September 2022.

Agenda 5.2 Review of State Perspective Plans and Shortlisting of Destinations

1. NPMU presented their appraisal of 6 SPPs in respect of the States, which were invited for the meeting. The key parameters of appraisal and evaluation are as follows:

A. Compliance with guidelines regarding institutional structure

#	Item
1	Has State/ UTA constituted State Steering Committee (SSC) as per the clause 7.2 of the SD 2.0 Guidelines and the Perspective Plan has been approved by the SC?
2	Has State/ UTA designated a Senior Officer at the level of Director of the Tourism Department of the State/ UTA as State Mission Director as per the clause 7.3 of the SD 2.0 Guidelines?

B. Compliance with the template provided for SPP

#	Name of the Field
1	State Tourism Profile
2	Policy Environment
3	Product Development and Partnership with Private Sector
4	Quality Certification Schemes
5	Tourism Statistics
6	Digitisation of Tourism Information
7	State Performance in implementation of SD 1.0

C. Performance of State/UTA in SD 1.0

#	Item
1	Were any project(s) sanctioned in Swadesh Darshan 1.0
2	Are all the projects in State/ UTA completed and recorded in SD 1.0 Dashboard?
3	Has State/ UTA Submitted the Completion Certificates of completed projects as per the format of OM SD-8/10/2020 dated 11.06.2021?

#	Item
4	Has State/ UTA furnished O&M details for projects as per the templates of SD-7127/2020 dated 06.06.2021?
5	Has State/ UTA furnished O&M details for revenue generating components as per the template shared in Office Letter dated 24.06.2022?

2. Detailed appraisal of the six SPPs as per above parameters in respect of the following States are enclosed as **Annexure-2**:

- (i) Haryana
- (ii) Andhra Pradesh
- (iii) Mizoram
- (iv) Maharashtra
- (v) Uttar Pradesh
- (vi) Bihar

3. Based on the State Perspective Plans, guidelines of the Scheme, suggestions of the Ministry of Tourism and keeping in view the overall objective of developing sustainable and responsible tourism destinations under the Scheme, NPMU presented the two shortlisted destinations for each State covering the following aspects:

#	Item
1	Major tourism attractions, offerings and themes
2	Connectivity by Air, Rail and Road including local travel
3	Connectivity to any tourist circuit
4	Current tourism eco system
5	Future tourism potential

4. Based on the deliberations held during the meeting following recommendations are being made:

1. Haryana

State assured that the observations on SPP will be complied with. Two shortlisted destinations of Kurukshetra and Panchkula were recommended for development under SD 2.0 as per the appraisal report.

The State mentioned that the phase 2 of Krishna circuit is being funded under the State plan in Kurukshetra and various projects such as Virat

Swaroop & Museums are being developed. The State requested to instead consider Faridabad in SD 2.0 to develop it as Adventure destination.

It was informed that SD 2.0 is not only about creating facilities but planning, developing and managing sustainable and responsible tourist destinations, which includes several aspects of coordination, synergy and development at the destination level, which may be considered for Kurukshetra. NPMU was accordingly asked to re-examine Kurukshetra vis-à-vis Faridabad.

2. Andhra Pradesh

State assured that the observations on SPP will be complied with. Two shortlisted destinations of Gandikota and Arakku (Lambasingi) were recommended.

3. Mizoram

The SPP was found in order and there were no observations. Two shortlisted destinations of Aizawl and Champhai were recommended.

4. Maharashtra

State assured that the observations on SPP will be complied with. Two shortlisted destinations of Sindhudurg (Nivti) and Ajanta-Ellora were recommended.

5. Uttar Pradesh

State informed that Steering Committee and Mission Directors have already been notified and assured that the observations on SPP will be complied with. Two shortlisted destinations of Prayagraj and Jhansi were recommended.

6. Bihar

State assured that the observations on SPP will be complied with. Two shortlisted destinations of Gaya and Nalanda were recommended.
